HOLD THE YEARS AS THEY COME AND GO . . .

We are here for three years filling up the halls, the grounds and the stadium with laughter, joy and spirit toward Northland. But when the noise stops and the stadium is empty, that is the time you remember to stop and look around. Let us appreciate all we have while we are here, for we may never pass this way again.

... FOR WE MAY NEVER PASS THIS WAY AGAIN

Ten years of Northland students have passed through these halls. Many changes have taken place through the years in the students, in the faculty, as well as in the building. Visions of the past combined with the visions of today reflect the ten years of Northland High School.

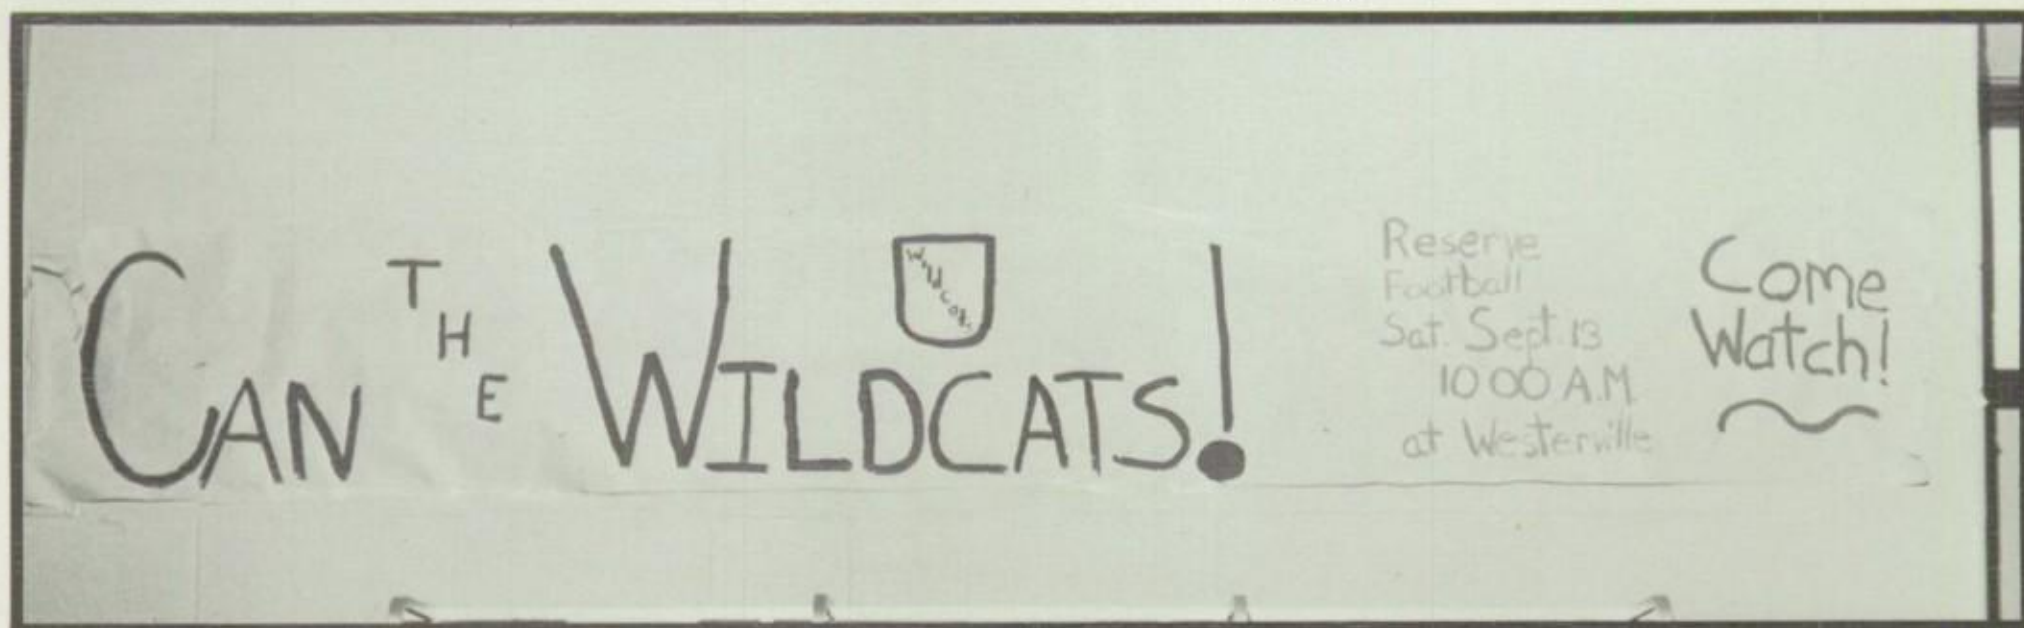

EXPANDING OUR ACTIVITIES, ACHIEVING SUCCESS

Manager Jim Garwood anxiously watches another Viking play.

Colleen Janzen with her "little sis" Keriak Kareklas cheer the Vikings on to victory.

Viking spirit always shows through!

Playing cards will always be one of Northland student's favorite lunchroom activities.

Sitting in the office seems to be a major tragedy to sophomores Gretchen Cline and Paula Hardy.

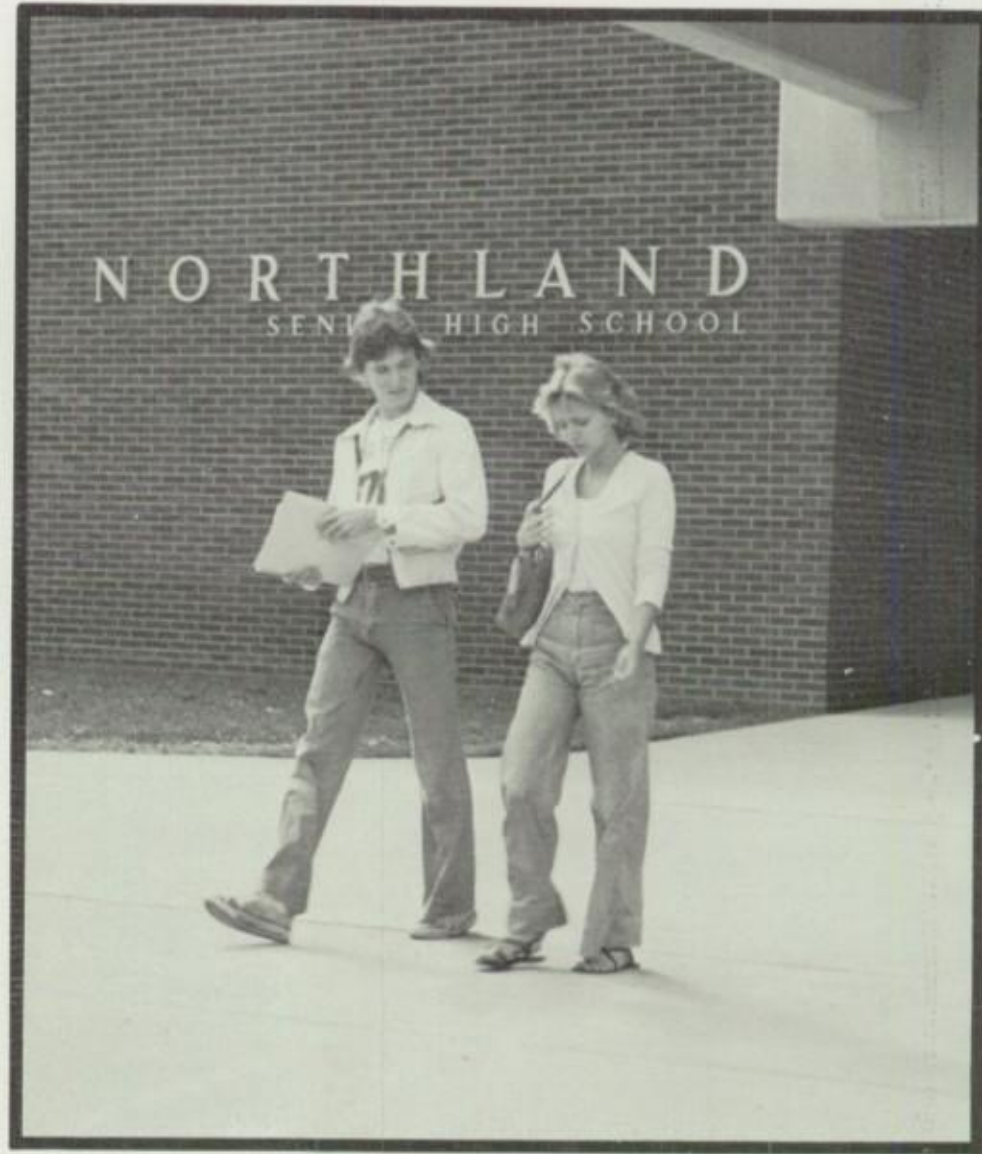

During the Westerville game, Coach Deyo leads the team off the field to prepare for the second half.

THE EXPERIENCE OF EACH NEW DAY

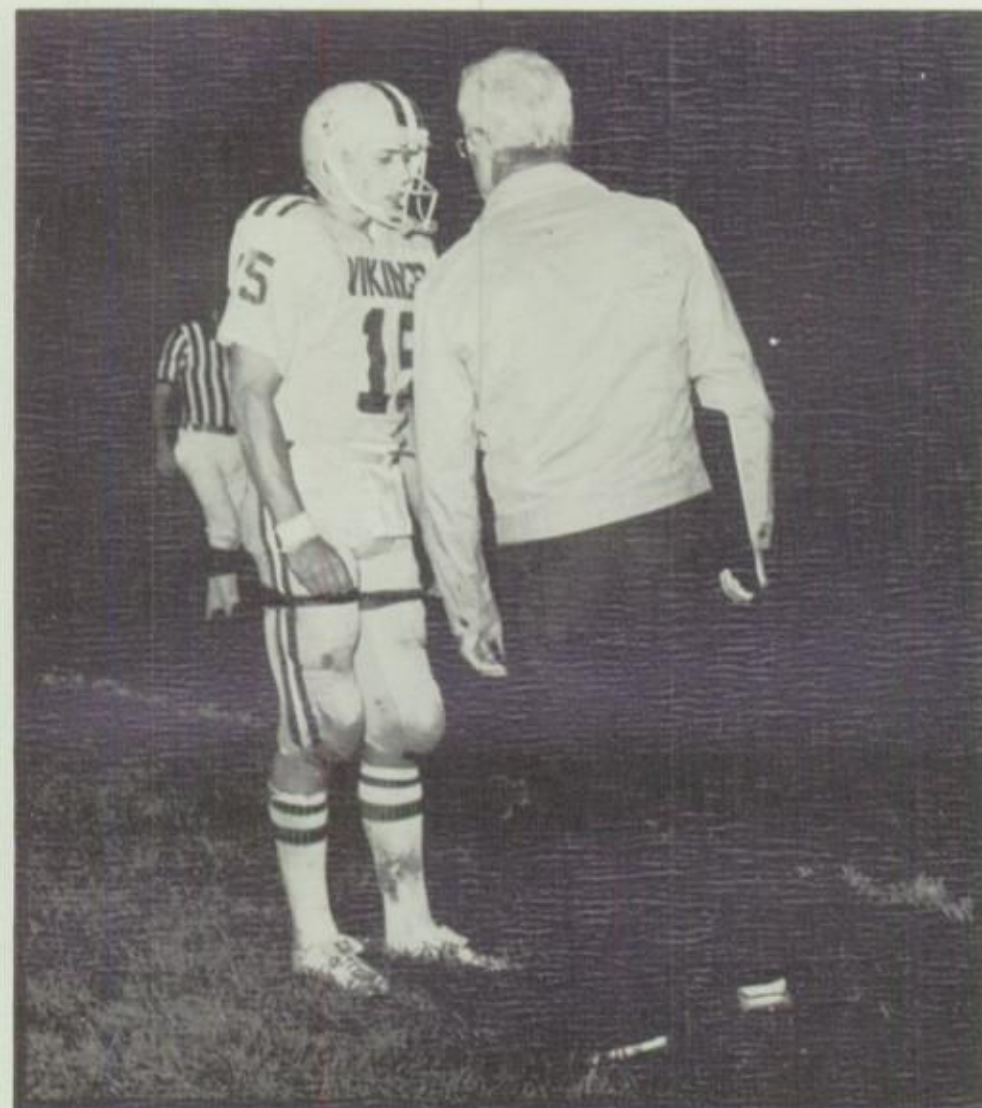

Paula Roth keeps with daily routine visiting her locker every day.

Senior Kirsty Melick discusses the hardships of a student's day with Ken Hay.

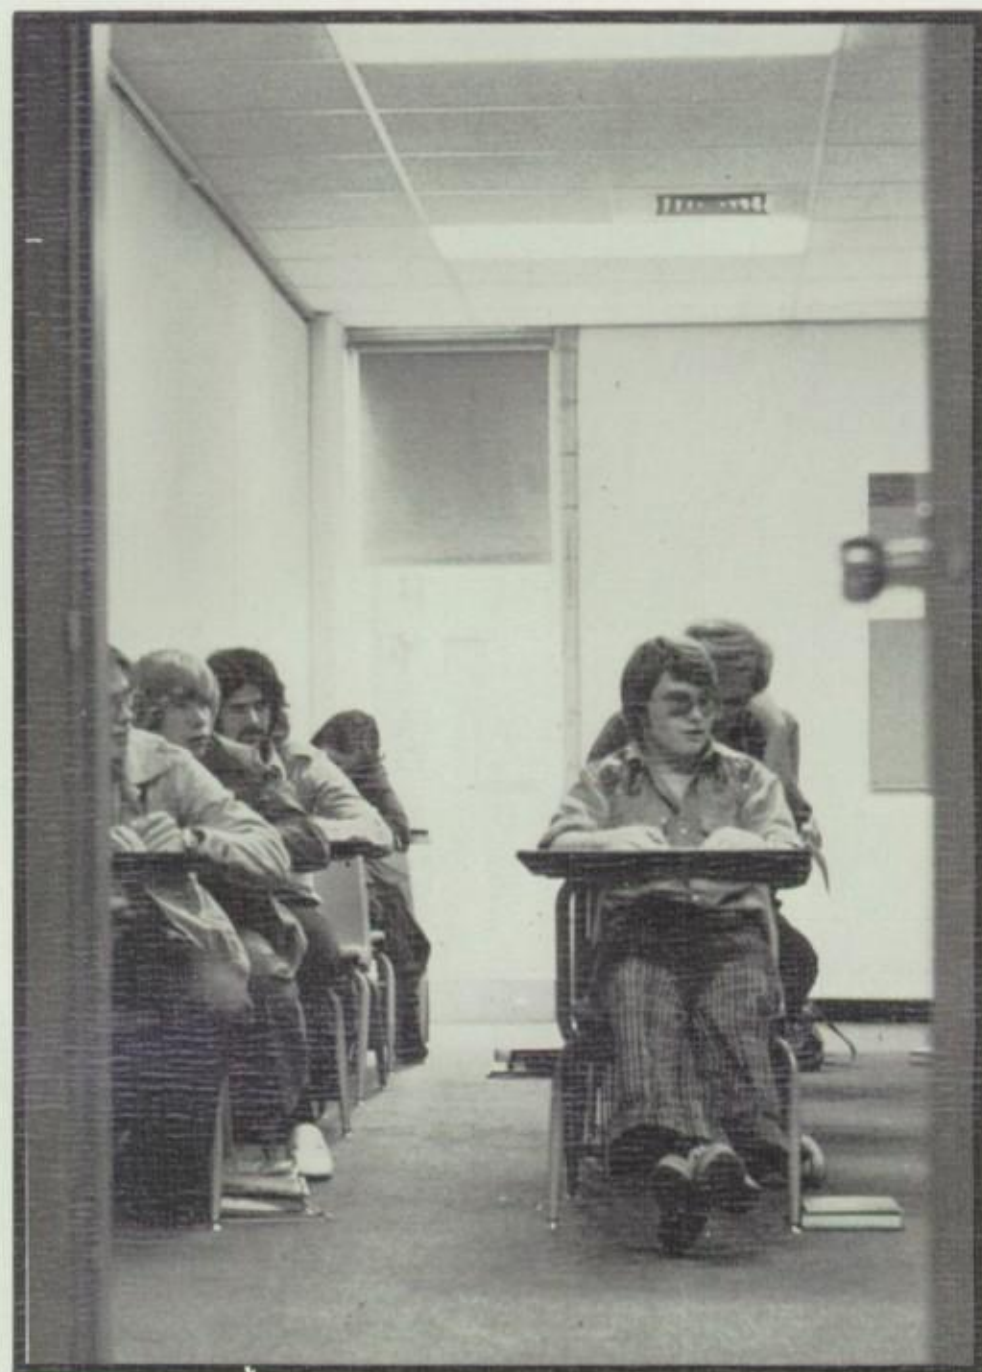

Valkyrie Gwen Williams marches proudly during the first Viking pep rally.

Coach Howe speaks "man to man" with Quarterback Jeff Kelch.

To these Viking students, the lobby will always be a convenient place to gossip.

For some strange reason these students are paying close attention in class.

FRIENDS CLING TOGETHER, MOMENTS PASS AWAY

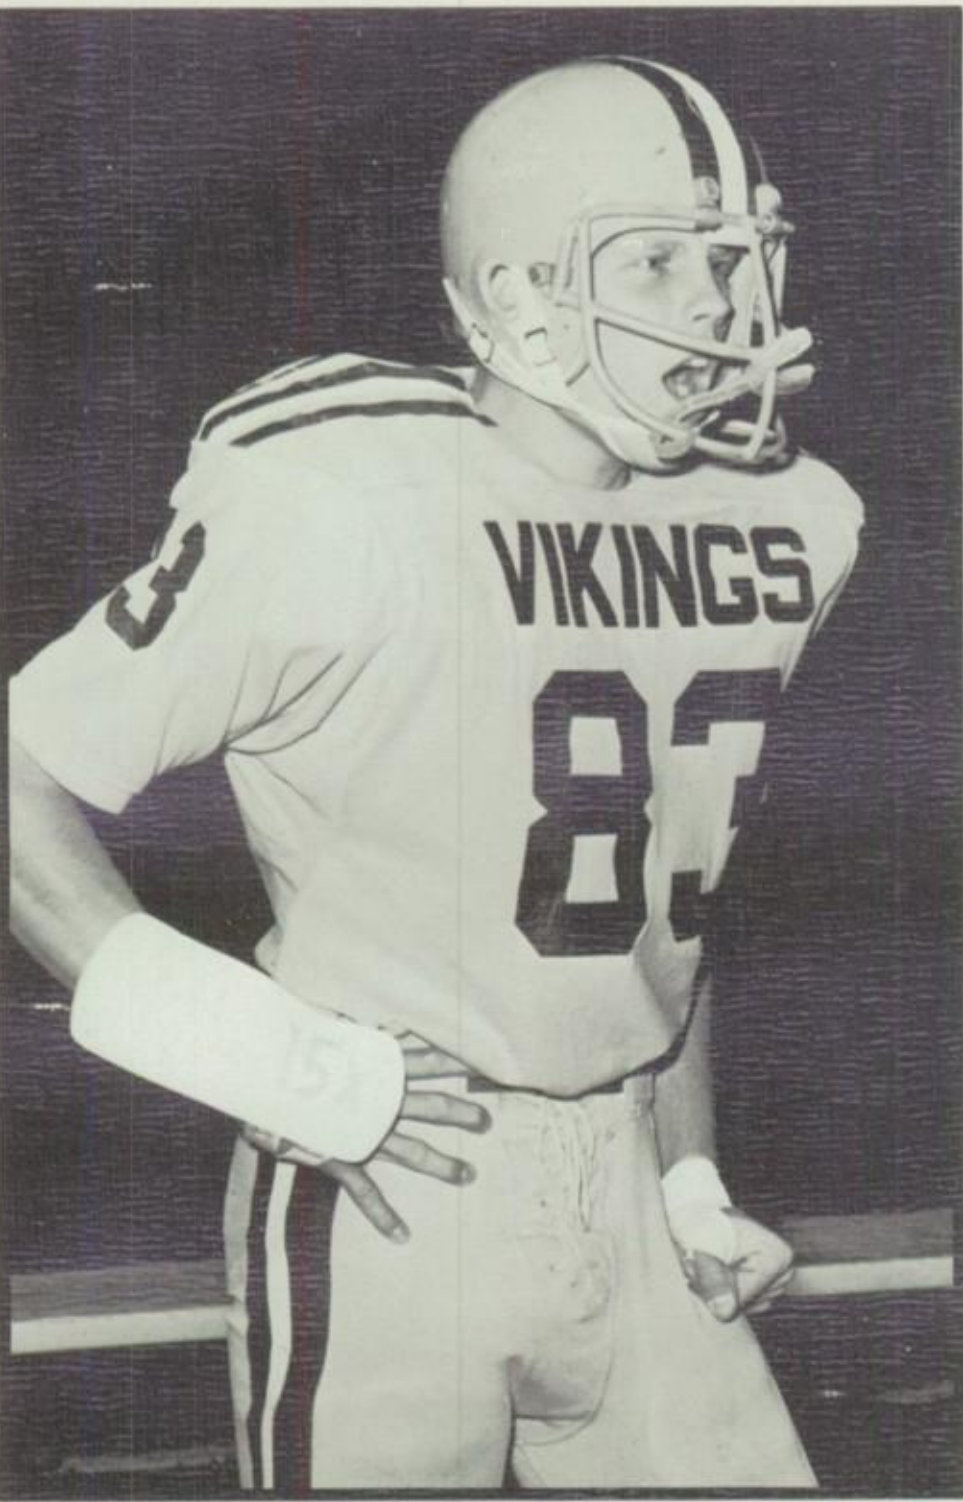

For these students, the curb is the perfect place to spend their lunch period.

Janet Rhodes and Tammy Hart try to shut out the world, as they study outside during their lunch period.

Junior Brian Gouhin takes time out to call his favorite girl.

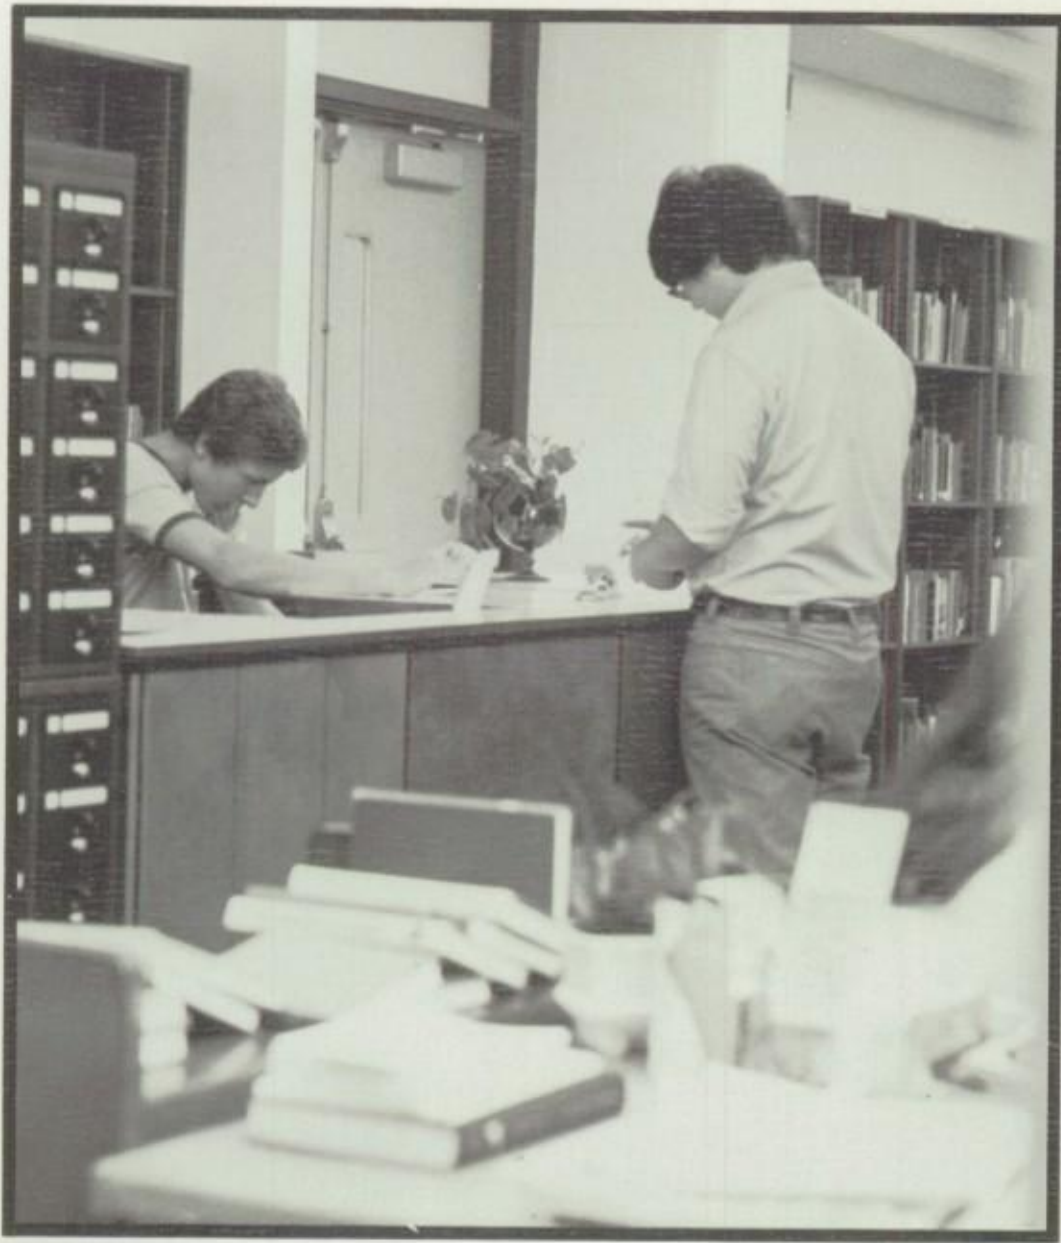

Junior Bob McIlvain expresses his feelings as he watches Jeff Kelch drop back to pass.

Reserve cheerleaders Jamie Nincehelter and Pat Godin "do the bump" at the first pep rally.

After a week of hard work . . .

Ray Heath and Dave Lowry always find something else to do while the work piles up.

Phyllis Watson uses her study period to sell tickets for Mr. Wicokiser.

A busy stairway is a happy stairway.

Viking fan Franny Malcolm watches the game with much enthusiasm.

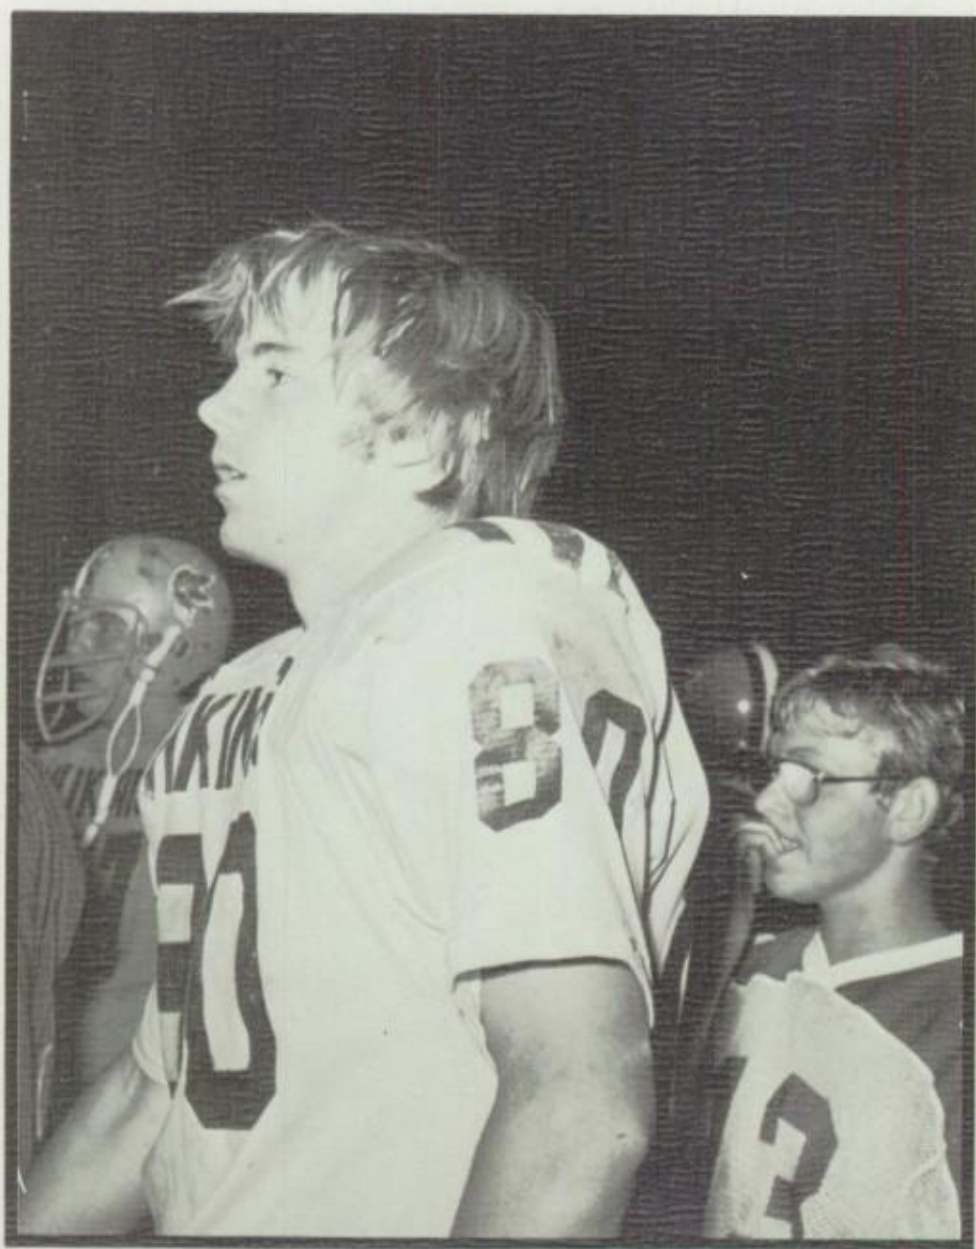

Viking mascot Eric Buskirk leads the crowd in a cheer to victory.

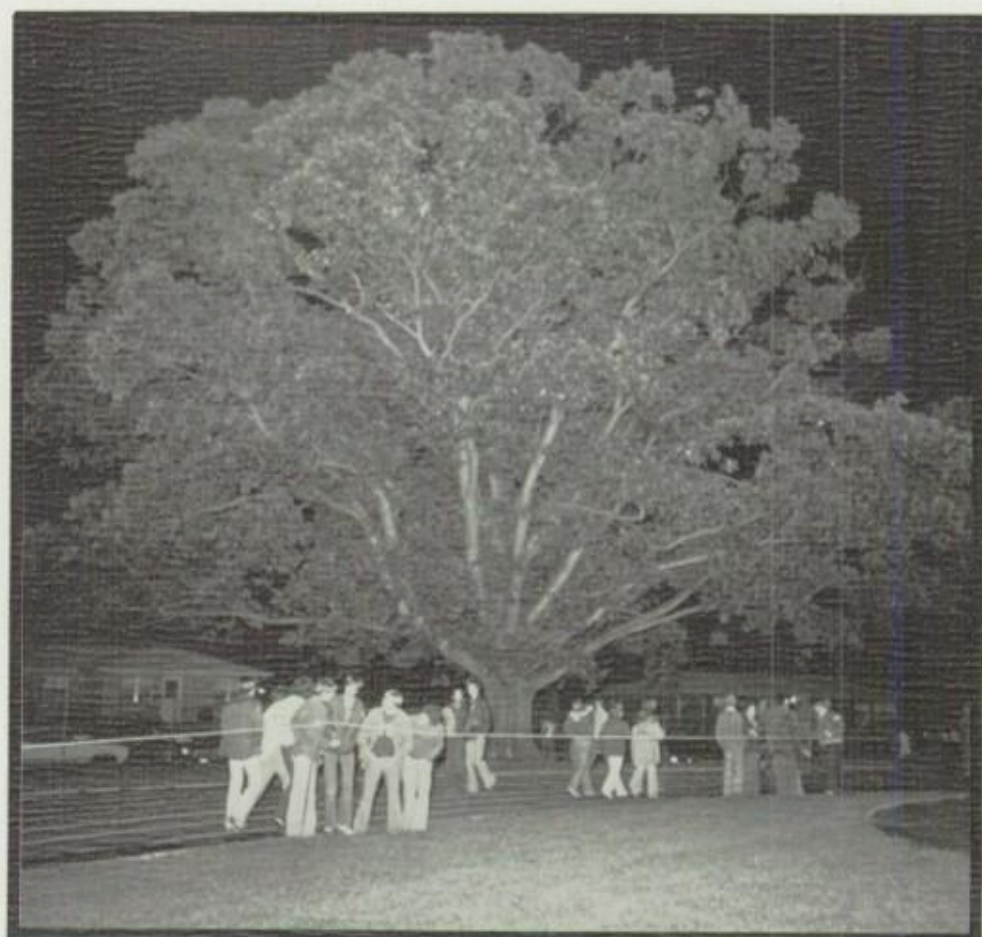

The crew in the press box help the crowd to understand more of what's happening on the field.

*BEING PART OF A

MUCH WE KNOW, BUT MORE WE DREAM

Jim Beitel tensely watches as the Vikings try for a touchdown.

The Viking Tree will always stand as a symbol of Northland.

For Kevin Devine study hall is the perfect place to catch up on his sleep.

CHEER- LEADERS KEEP THE SPIRIT

The 1975-76 Northland Cheerleaders worked hard from tryouts last spring, to the awards banquet in late winter. This summer at a Golden Eagle cheerleading camp, they were among the top five finalists of thirty squads. They won the spirit stick each day and brought home a blue ribbon.

Serving the sports teams by cheering at all football and basketball games, they also paint signs and have pep rallies for those and other sports. The cheerleaders serve the school at school functions, the fertilizer drive, the booster drive, and provide leadership to all.

The wind blows fiercely as sophomore Wendy Warren and junior Karen Helfant leave after the Westerville game.

VALKYRIES MARCH INTO FIRST PLACE POSITION

Valkyries have a gab festival during a break in one of their practice sessions.

This year the Valkyrie squad was an experiment which worked out well. Instead of Football Valkyries and Basketball Valkyries there was just one team picked for the entire 75-76 year. The girls, under the leadership of Captain Kris Frey and Co-Captain Beth Watts, worked hard to improve themselves for the halftime shows and for competitions. Entering several competitions with new costumes and boots, Valkyries placed first in their division at the Stebbins Invitational. This is only the second time the Valkyries have ever placed first in their existence. This year proved quite a bit of work but the Valkyries consider it worthwhile, especially the nineteen graduating seniors who wish the 76-77 squad the best of luck.

Junior Valkyrie Chris Kellner looks proud of her performance after the half-time show.

Senior Valkyrie Sandy Burbacher does a lot during the "Nothing From Nothing" routine.

Senior Doug Finley and junior Jay Davidson blow up a storm during the football halftime show.

The 75-76 Marching Band was exciting, vigorous and quite talented. Their half-time shows ranged from a "down on the farm" show with the members clad in overalls and straw hats to a very impressive juke box formation complete with flashing colored lights and a cameo appearance by Northland Alumnus Dwight Yoakam. The band traveled with our football team even to the City Championship. It was an altogether great year in every aspect for the Marching Vikings.

GROUPS LIVE UP TO TRADITIONAL FIELD STANDARDS

One of the more active bands at the school has to be the Stage Band. This enjoyable band belts out popular, contemporary, jazz and rock music to make it one of the most widely requested bands. The members travel to various gigs outside of their school days sometimes playing until wee hours of the night. They are a fresh and lively group of the most talented musicians involved in band. They have produced a high standard in musical quality which will be a hard act to follow.

Contest Choir is the collaboration of all the music students who participate at Northland. These students rehearse in their separate classes and then combine as one unit to sing at the city wide music contest at West High School. Their selection of music usually ranges from spiritual and religious to soft, moving, contemporary tunes. Under the direction of Thurman Davis you can be sure the Choir will receive nothing but the highest of ratings.

Some of their concerts have been held at Northland Mall, MCL Cafeteria, and various other places. Other dates were kept for the PTA Spaghetti Dinner, the North Central Evaluating Committee, and Vocal Parents Meetings.

Young Adults along with the other groups participated in one of Northland's most memorable Christmas programs including the "human" Christmas tree topped with a perfect angel.

STUDENTS PUT EXTRA TIME TO USE

While it is a good way to put an unwanted study hall to use, the attendances and guidance helpers will tell you there is a lot more to it than that. The duties they perform include running errands, filing cards, acting as receptionists, answering phones and helping out with any other odd jobs. Their tasks are completed with little glory or recognition but their work is appreciated greatly.

Service to the school is not always the place to look for popularity or recognition. Responsibility is the key in this case. It is often that those who are working to get things changed can be the ones forgotten when the new policy is put to use and proven successful. The assistants in the cafeteria, library and office are often faced with unpleasant duties or choices. It is easy to overlook the work and dedication they give during the hassles of a school day. Their service is indispensable at Northland, however.

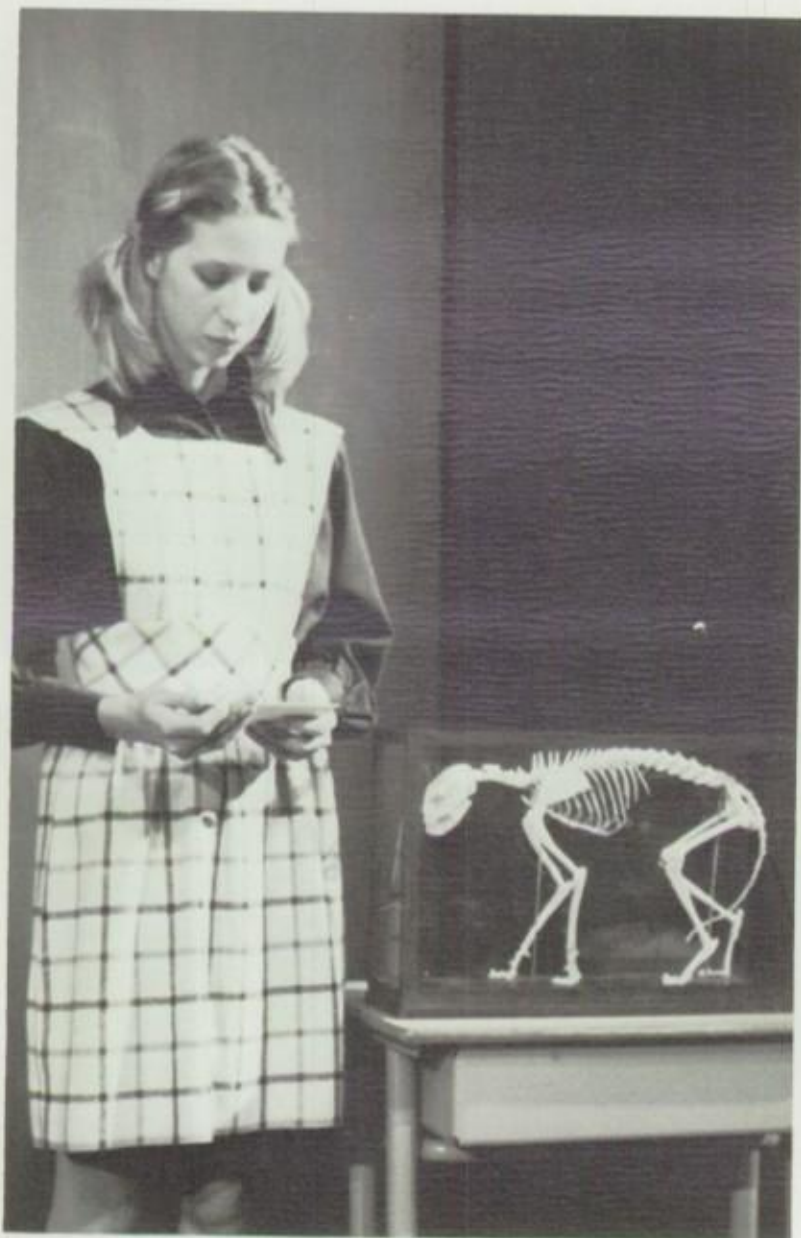

OFFICE HELPERS: ROW 1: Kathy Laux, Annette Rosmarin, Patty Keller, Kim Lewis, Kathy Blackburn, Val Beckman. ROW 2: Sally Patterson, Julie Davis, Michele Derr, Diane Clark, Jan Dalluge.

Northland's fall play was a very dramatic production of Paul Zindel's Pulitzer prize winning "The Effect of Gamma Rays on Man-in-the-Moon Marigolds." It is a tragic story of Beatrice, defeated by life and hating it as a result. Her two daughters Ruth and Tillie are affected by Beatrice in that Ruth becomes a neurotic epileptic and Tillie escapes into a world of science. This story is characterized by Tillie's first prize science experiment: the effect of radiation on marigolds.

The National Honor Society broke a school record this year by having over sixty students qualify for induction. The society is not based just on academic ability but on character, leadership, and involvement in activities. They are an active organization which organizes sales and activities such as picnics. Their banquet was held at Forest Park Inn where the new members received their pins. Mr. Pelky was the guest speaker and delivered a very moving and witty speech. Honor society is a lifetime organization every member should be proud to be a part of.

New National Honor Society members await their induction while their parents watch in the audience.

STUDENTS EXPERIENCE LEADERSHIP

Student Council for 75-76 had many responsibilities. The council members planned Homecoming, which was a great success, Sadie Hawkins, complete with "The Race," a radish eating contest, and "Mr. Ugly" who turned out to be Joe Boffo; and a "jeans" dance. They continued improving the Student Lounge after being forced to close it before Christmas due to excessive damage of equipment. A "graffiti" committee was appointed to paint the wall in the Lounge. Besides these activities there were sales planned, rap sessions with the administrators and an attempt made to span the communication gap within the school.

HELPFULNESS AND INVOLVEMENT MAKE WELL ROUNDED INDIVIDUALS

Everyone knows the spirit at Northland is number one and that is what puts our teams in that parallel position. Northland's Spirit Club helps the cheerleaders get everyone in the right spirit by painting signs, planning skits and being there to yell at every game.

The Viking Volunteers are involved in an equally important task by tutoring children in various subjects. They do this on their own time and solve the problems as best they can when they arise.

These two helpful organizations assist in giving Northland its good name.

The Yearbook Staff is more than an organization. It is a group of people who begin in September as strangers bound together only for the purpose of putting together the Valhalla. As the year progresses with disagreements, tears, lost pictures, deadlines and creativeness it all totals up to completion of the book. Something happens as the end draws near and the book is mailed for publication, the staff finds the work is completed. It is then they realize what friendship has grown along with the Valhalla.

ACADEMIC KNOWLEDGE IS ONE IMPRESSIVE ASSET!

The In The Know Team had its television round in September against Newark. The members that participated in the actual match were Dan Reid, Sally McClaskey, Doug Gardner, and Marty Kowalski. Their loss that evening, while unfortunate, was very close and exciting. After this loss they had to play Teyes Valley in the challenge round. The team from Teyes Valley did not show up because of a communication problem and the match was rescheduled. The team under the direction of Terrence Schrieber practices hard and often to improve their chances for placing high among the schools.

Members of Northland's In The Know team anxiously await the arrival of their opponents.

STUDENT HOBBIES EXERCISED

For the first time in years, Northland skiers had a terrific season. With snowstorms and freezing temperatures the skiing conditions were just perfect. For the second consecutive year Northland has taken their Ski Club to Clear Fork to hit the trails. For the people who could not stand the cold for long there was always the warmth and relaxing atmosphere of the ski lodge.

Skiing is more fun when there is snow on the ground.

GOOD LANGUAGE DEVELOPMENT GROWS ALONG WITH MANY ACTIVITIES

The language clubs at Northland have been involved in many activities this year. The French Club held its annual French In-The-Know on November 19, in the auditorium. Participants from schools all over Columbus participated in the event. The most enjoyable activity of the French Club is their Cabaret, which combines elegant night club atmosphere, delicious French cuisine, dancing, and entertainment in the school cafeteria. The French Club also participates in other school hosted activities, such as the French Banquet at Brookhaven, the Foreign Language Festival at Otterbein, and French students compete in the National French test.

All language clubs participate in the Language Carnival, where students supply pastries and other delicacies from the country they are studying.

SPANISH CLUB: ROW 1: Kathy Laux, Dave Frattianne, Theresa Wolfinger, Debbie Thomas, Jim Griffin, Sally McClasky.

ROW 4: Paula Roth, Jamie Fabish, John Yoho, Jill Matthews, Julie Hinz, Laura Cook, Chris Ryan, Teresa Tocci, Glenn Willer.

The language clubs are designed to enhance the learning of a certain language. This is true of both Russian and German Clubs. The German Club has also sponsored the sale of chocolates and "yummy gummy bears" which really caught on among the student body. The German Club bake sales are always successful because everything is always so good. All these money raising projects are going toward the trip for some German Students to Europe during Spring Vacation.

ROW 4: Lisa Hansgen, Chris Kellnen, Gwen Williams, Lyn Huber, Gail Hardin.

LATIN CLUB COMES IN SECOND

One of the most active clubs at Northland is the Latin Club. Many will argue that the Latin language is dead but every person in the Club proves that Latin at Northland is very much alive. Some of their activities included the cheese and cheese-ball sales, the Aardvark T-shirt sale, and the Latin Banquet planned for May.

Once again the Northland Latin Department tried for the Hildesheim Award. They came in second place but were very proud of their department anyway.

Sophomore Tom Ewell listens attentively during a Latin Club meeting.

The Journalism Class, taught by Mrs. Bishop, produced three editions of the school newspaper called "The Ruestone" which sold for a dime. There was much controversy over the title. Ideas ranged from The Viking Press to other similar ones. Once the idea of making it go along with Vikings theme by researching what they called their "newspapers," it caught on. Vikings recorded their information on stones called "runes." The name was born. The staff did feature articles on exchange students, a sports column and had two very controversial editorials on Girl's Sports by Sandy Headley and National Honor Society by Sonia Roth.

Mrs. Bishop demonstrates the makings of a newspaper to Paul Colflesh.

Co-Editors Susie Chun and Carrie Ferguson are a little camera shy.

OUR JOURNEY HAS JUST BEGAN

Senior class officers Mary Pardee, Vice-President; Greg Hartman, President; Becky Bauer, Secretary; Kevin Metzger, Sergeant at Arms; and Debbie Kemper, Treasurer.

Senior year is a time of many activities. Traditions like Homecoming, the Prom, and the Senior Convention were eagerly awaited by the class of seventy-six. Special honors were held by Class President, Greg Hartman; Student Council President, Kelley Kash; and Homecoming Queen, Denise Sentz. It is a year full of worries, with grades, the ACT, and the future. Seniors are faced with the decisions of college, a vocational school, or a job. The decisions made this year determine the rest of our life. Traditions passed from one senior class to another, like Senior Picnic, Senior Slave Day, and school spirit which helped lead the Vikings to the City Championship. One year of being at the top, setting an example as the leaders of the school. The closeness of our class clearly emerges as we unite toward that ultimate step, graduation, together as the class of seventy-six.

For those who don't enjoy dancing, there's always a park bench like for Bill Teeven and his date.

Homecoming 1976 brought many changes. The theme "The Roaring Twenties" was carried out through homeroom decorating with a 1920's "Speak-easy" winning the decorating contest, a Dress-up Day featuring costumes from the twenties, and the traditional pep rally and game ending with the Homecoming Dance on Saturday night.

Spirits were high throughout Homecoming Week and even the rain could not stop a large crowd from coming to the football game against Mifflin. Excitement came early as Denise Sentz was named the 1976 Homecoming Queen at the pregame show.

The week came to an end with the dance on Saturday night as Denise was crowned queen with the court that included Anne Weideman, Lynn Walters, Jodi Fabish, and Charlotte Eschelman.

Jodi Fabish and Larry Hansgen laugh at Larry's uncooperative umbrella.

Denise Sentz is announced as 1976 Homecoming Queen.

In winning costumes Shirley Emswiler and Chris Morris pose in the winning bandroom speakeasy.

Lynn Walters waits for the final moment.

SPIRIT OF '76

Seniors Kenny Orth, Jeff Kelch, and Bill Shephard, wonder what is happening on the other side of the cafeteria.

This Northland student wonders why he keeps returning to the cafeteria for lunch every day.

A little bit of rain can't keep these Seniors away from the Homecoming Game.

Randy Miller shows that Northland students do study hard.

SENIORS ENJOY THEIR

Oh! Hi, Mr. Davis.

Senior Julie Swab works hard toward a career in the near future.

These Viking farmers wait to play the field at the City Championship Game.

Juniors Ron Bartolmucci and Karen Helfant practice chugging at the Homecoming Dance.

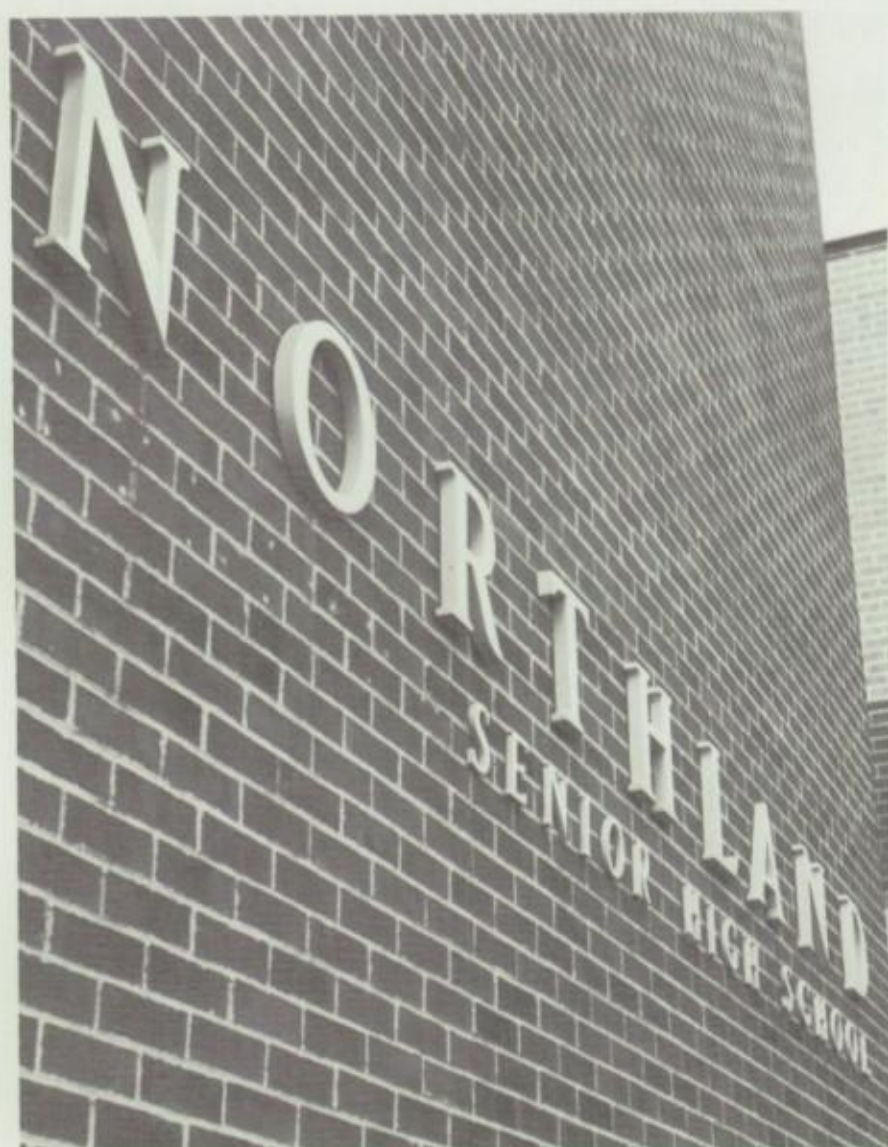

FINAL ACTIVITIES AS A CLASS

The Viking Marching Band forms the traditional Block "N" during one of the last football games.

Viking fans are always ready to cheer their favorite team on.

A name that will always be remembered.

The 1975 football Vikings at Northland went into their heavy football schedule under the direction of Coach Howe. The Viking gridders, after some disappointing non-league games came back to finish 5-0-1, in league play. This mark was good enough for the North Section Crown and a trip to the 72nd annual city championship game. Northland and West went into the championship battle between the North and South. Our team looking for its second city title in three years — their team looking for its first ever title in playoff competition. In a fascinating display of defense by both teams, the Vikings fought until the very end where the Cowboys ended up on top 10-3.

GIRLS TIE FOR THIRD IN CITY

The 1975-76 girl's volleyball team completed another fine session by placing third in the ever tough City League with a fine record of 7-5. The girls then went to the first ever sectional tournament, winning the first game against Grove City and losing to Newark. With a fine group of underclassmen, the Vikings should be even stronger next year.

Coach Boltz and her team anxiously await another Viking score.

Girl's Tennis with a record of 5-4 ended with highlights and disappointments. Senior, Sue Ryan, played first singles. Sandy Headley and Mary Ann Fogarty held the next two positions. Junior, Patti Sprouse, and Jackie Loewe, a sophomore, teamed up at first doubles position. Backing up the team was second doubles played by Karen Garrison and Mindy Orr, both sophomores. Trisha Kirwin and Wendy Eilbacher challenged in and out of second doubles position making that an interesting place every week. Kathy Jones, the alternate, kept spirits high along with Manager, Debbie Spears. Coach Wise was proud of the team despite their record.

GOLFERS FINISH SECOND IN CITY RACE

The 1975 Varsity Golf Team enjoyed its finest season ever as the Vikings completed a fine 9-2 record in City-League competition. The team scored very decisive victories over Mifflin and Linden McKinley. The highlight of the season was beating arch-rival Walnut Ridge 160-165 after Ridge had won 52 consecutive dual matches.

Led by senior, Chris Heasley and junior Mike Zolman, the varsity played a very demanding non-league schedule finishing 3-4.

VIKING SEASON HIGH- LIGHTED BY DEFEAT OF GROVEPORT

The 1975-76 edition of Viking roundballers proved to be a very exciting one. Under the direction of Coach Wayne Rittenhouse the Vikings were 5-13 overall, and 3-11 in league competition. But on Saturday night February 28, the Vikings came alive. The Vikings entered the class AAA tournament expected to go nowhere and even worse playing against second seeded Groveport who was 17-1 at this time. But as in the tradition around Northland, the Vikings rose to the occasion in what may be called the top upset in this 75-76 season. With senior Ed Williams scoring 23 points and tough all around defense, the Vikings were able to smash Groveport 69-65.

Senior Mike Preisser carries the ball down the court in an overtime with Westerville, the Vikings on top 61-60.

MARINELLI, LOWE PLACE 1st IN CITY TOURNAMENT

The Viking wrestlers had a very exciting year, finishing with a 4-3 record. Northland's junior varsity team gained the title of City League Champs, while the varsity wrestlers gained the runner-up title in City League playoffs at Whetstone. Chris Marinelli, a sophomore, and Dave Lowe, a junior, took first place positions. Wayne Lemley, Mark Payne, Chris Arnold, and Ken Orth received second place titles. Co-captains, Greg Hartman and Erik Hanson, led the team to a first place title in the Northland tournament, a sixth place title in the Eastmoor tournament, and a fourth place title in the All-North tournament.

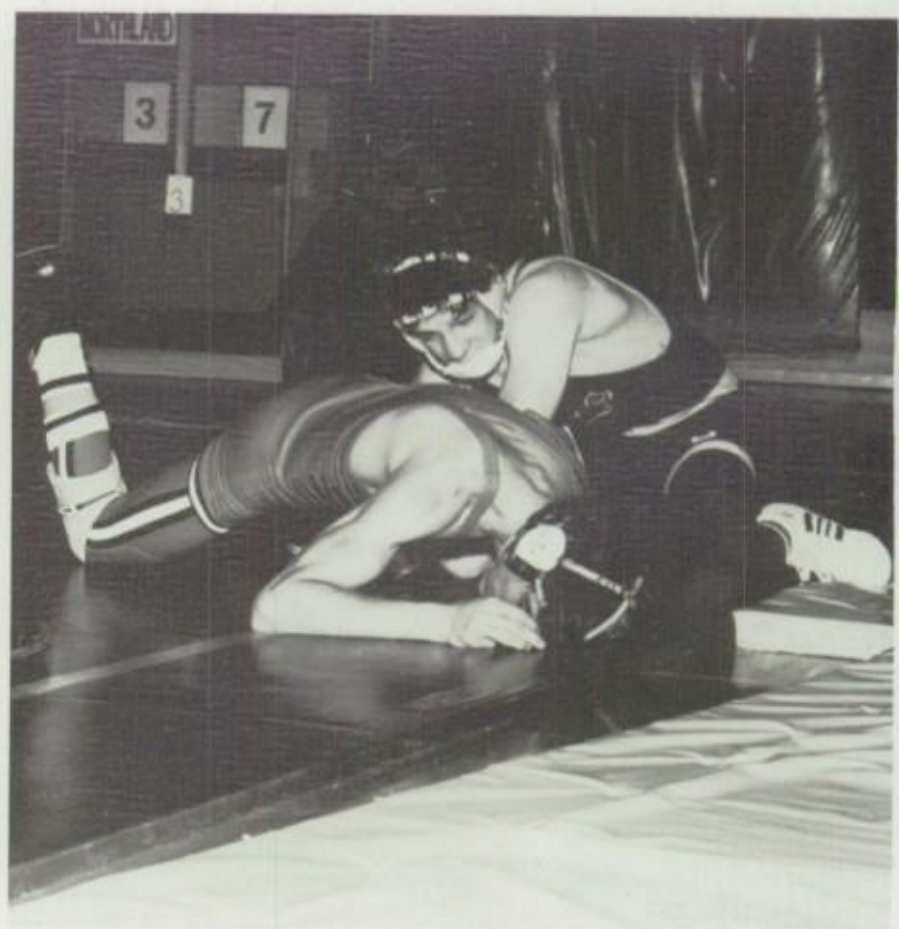

Wayne Lemley placed 1st in the Sectional Tournament, while Dave Lowe placed second. Ken Orth and Kevin Shepphard placed third. These boys will then go on to the District meet.

JUNIOR VARSITY WRESTLERS

Each year the Viking junior varsity wrestlers show some great potential for coach Chuck Deyo's varsity. But none have been so great as this sophomore class of 78. Under the direction of coach Bruce Smith, the junior varsity wrestlers finished first in the J.V. City tournament. Placing in the city tournament were sophomores Mike Janszen 98, Bill Weaver 112, Dan Lincicome 110, Rob Giuffre 138, Mike Murray 155, and juniors Ed Cooper 175, Todd Gates at Heavyweight. With this fine group of sophomores we expect a great deal for the Varsity next year.

SWIMMERS FINISH WITH 11-1 RECORD

The Viking swimmers had a very rewarding season finishing with an 11-1 record. The team was led by tri-captains Lukas Kareklas, Mike Johnson, and Cathy Craig. Brett Evans, a sophomore, proved to be a successful breastroker, along with Rich Tanner, Doug Mould, and Dave Allen. David Dale and Roland Seguith led the team in backstroke. The biggest accomplishment of the year was a victory over the Findlay Trojans. The Trojans led the Vikings until the

last event, as Northland took over and won by a close 43-40. The Vikings also placed second in the annual Delaware Invitational behind Westerville South. Give special credit to Mike Johnson who placed 3rd in the District and will be the first Northland swimmer ever to compete in the STATE swim meet at Canton.

NORTHLAND, WE WILL ALL BE TRUE
 HEARTS UNITE IN SONG FOR YOU
 WAVE WE HIGH THE GREEN AND GOLD
 MEMORIES LAST THO YEARS MAY ROLL
 LIVES ARE MOULDED BY YOUR FRAME
 LOYALTY IS NOT IN VAIN
 ECHO BACK THE PROUD REPLY
 WE ARE FOR YOU, OLD NORTHLAND HIGH.

STOP AND REMEMBER FOR A MOMENT

. . .

In three years there are many things one will remember. As a sophomore you will remember first football games, Homecoming, assemblies, buying your class ring, Sadie Hawkins, Greaser Day, hiding from seniors on Senior Slave Day, and trying to fit in with the pace of the school.

As a junior, getting more involved in activities, cutting your first class, getting your official Northland Viking Parking Sticker, sneaking out to McDonald's for lunch, the convention for senior class officers and looking forward to being on the top.

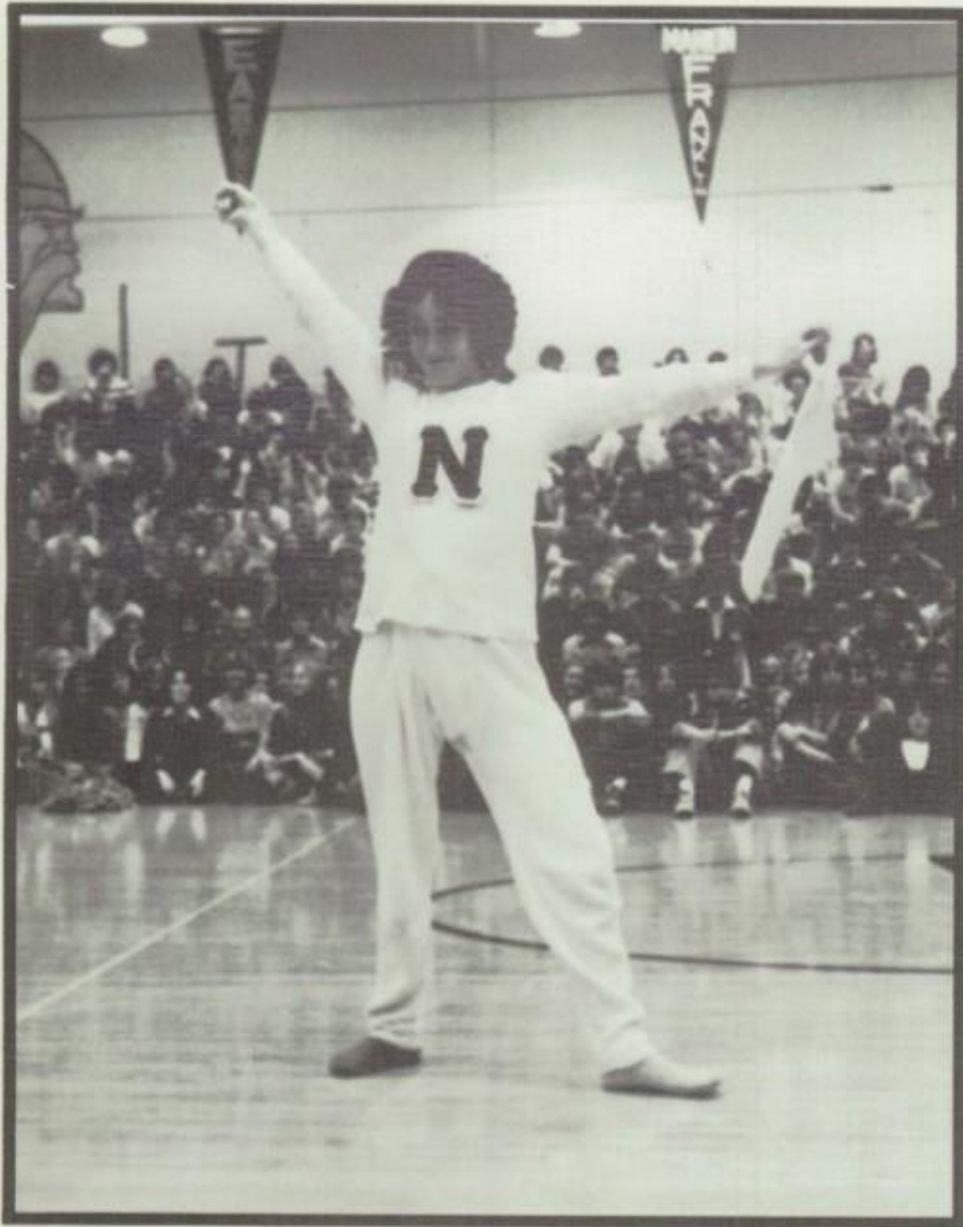

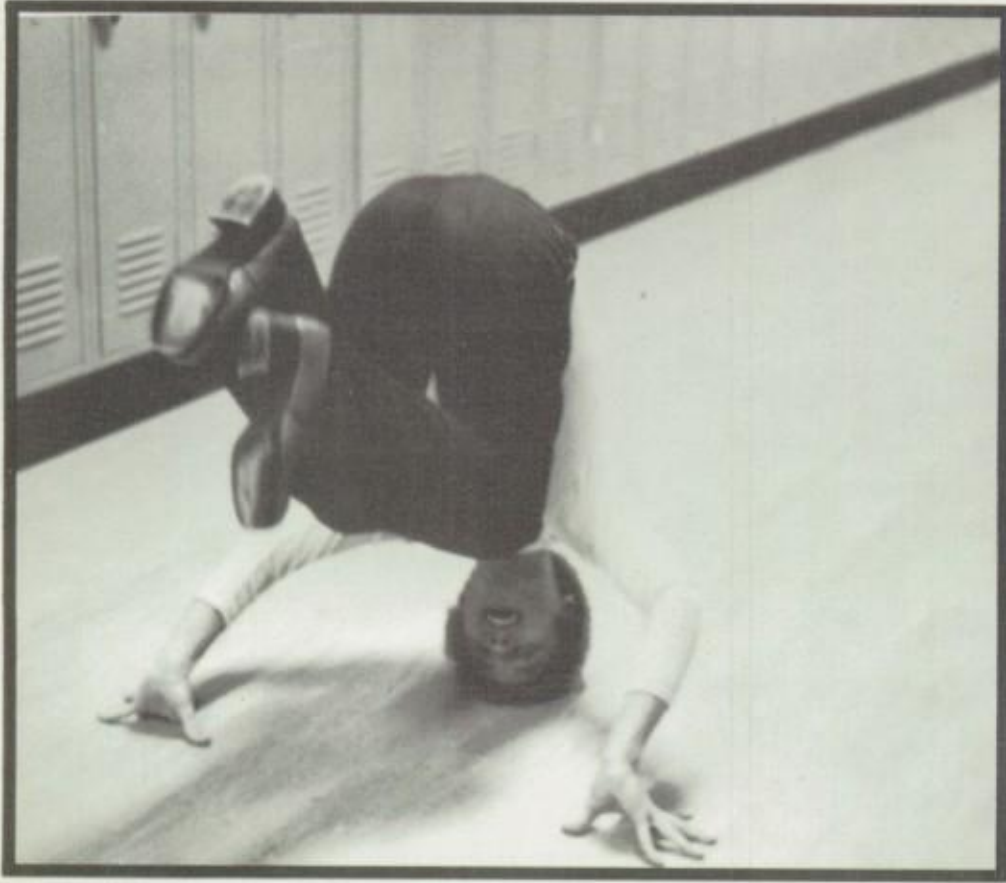

*. . . THESE ARE
THE TIMES OF
YOUR LIFE.*

As a senior, the year is full of mixed emotions about graduation and leaving Northland for good. Memories are paying senior dues, ordering your announcements, going out to lunch regularly (having the "system" conquered), getting out of school early, holding down a job, senior pictures (trying to forget how bad they are), Senior Carnival, Senior Picnic, Senior Dinner, Senior Prom and then . . . Graduation . . .

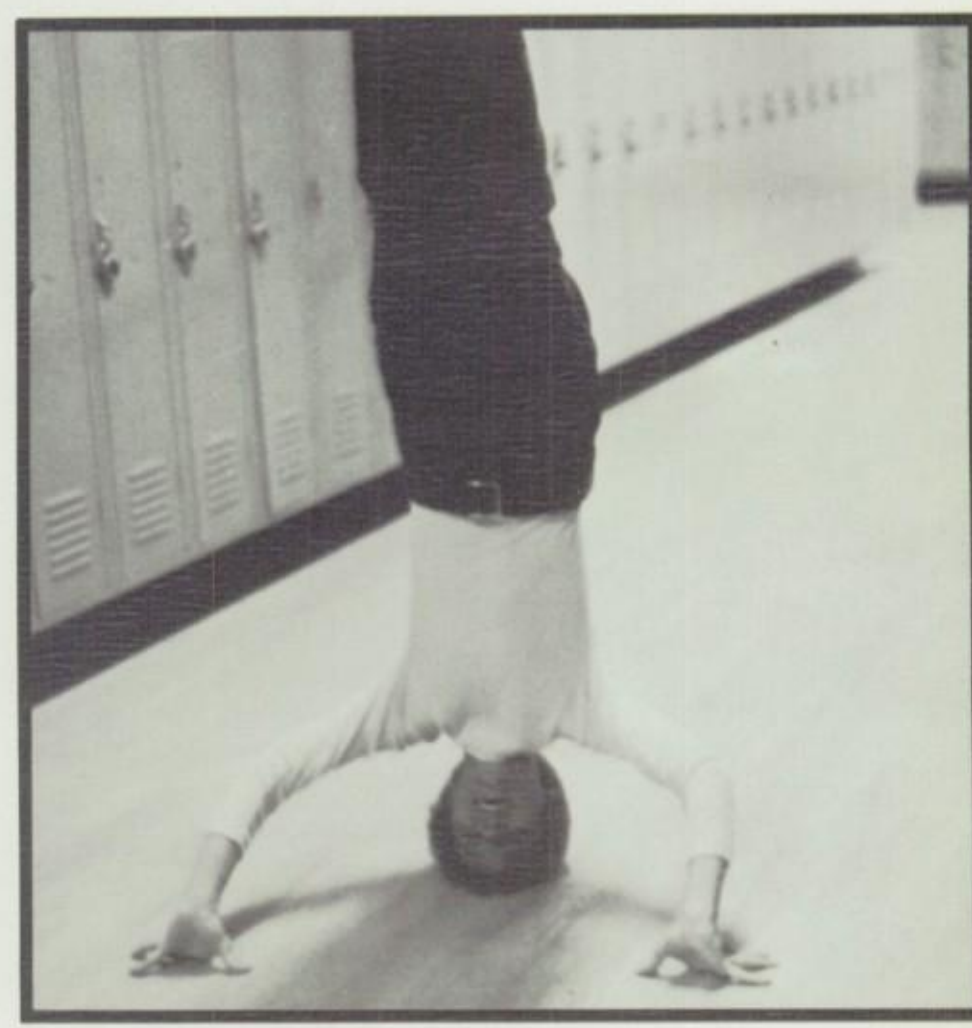

As the years go by, one will look back with memories of good times full of fun, excitement and people. The memories will be of a Northland filled with your friends, your teachers, your activities and the wonderful times you had there.

IT WAS A VERY GOOD YEAR . . .

Sunrise, Sunset
Sunrise, Sunset
Swiftly fly the years
One season following another
Laden with happiness and tears
What words of wisdom can I
give them.
How can I help to ease their
way?
Now they must learn from one
another.

We believe the 1976 Valhalla is the best yearbook published so far due to the help received from many others. Thanks to all staff members for their cooperative efforts. A special thanks to Mrs. Bishop who kept us going when we were ready to quit. Thanks to Bob Ott who made the figments of imagination into real life ideas. Thanks to Jeff Kelch who did an outstanding job designing the Valhalla cover. A deep and very special thanks to Mr. McAfee and Mr. Lewis who were consultants on a very special part of the book. Thanks to all the participants in the divider page pictures, we know your humiliation was for a good cause.

Working on a yearbook staff has been a great experience. People on the staff become very close to one another. Arguments break out quite often, but we all work together to stay friends. The '76 staff has been great, and I'll never forget anyone. Good luck Patti and the staff of 1977.

Steve,
Remember when
you and I were in
a group and had to write
stories about the mind. Then
Miss Mow Mow (Garry Pig) split
up all the groups. Remember the
paper fights the class held. It was
a good class except for her R.M.A. I
will this class good luck next year and
may all the years ahead be as
for you. Nancy Amrine
